

Fall 2010

Echoes Of Nature: Nature Adventure Series
with Anne Arundel Rec & Parks

Ages 2-3

Family program- Children must be accompanied by an adult. Adults attend free of charge. We ask that only the children registered in the program attend.

“The Wide Mouthed Frog” Ages 2-3

What are your plans for lunch? Find out what the wide-mouthed frog and some of his friends are planning to nibble upon. Do you eat the same kinds of foods and eat the same way? Meet a wide mouthed frog and make a related craft.

Dates: September 11, 2010 @ North County Recreation Center @ 9:00-9:45 #869001

September 18, 2010 @ South County Recreation Center @ 9:00-9:45 #969001

Cost: \$15

“Is This a Home for Hermit Crab” by Megan McDonald Ages 2-3

Hermit Crab is in search of a new home. Come join us as we learn what kinds of homes he tries out. Does he find the perfect home? Meet a Hermit Crab ambassador and learn more about these interesting animals. Make a related craft to take home.

Dates: October 9, 2010 @ North County Recreation Center @ 9:00-9:45 #869011

October 16, 2010 @ South County Recreation Center @ 9:00-9:45 #969011

Cost: \$15

“Seven Blind Mice” by Ed Young Ages 2-3

Seven blind mice find a strange Something by the pond. As they each investigate, the blind mice come up with different ideas of what this Something is. Come join us as we, along with the mice, figure out what this Something is. Meet an ambassador to go along with the story. Make a related craft.

Dates: November 13, 2010 @ North County Recreation Center @ 9:00-9:45 #869021

November 20, 2010 @ South County Recreation Center @ 9:00-9:45 #969021

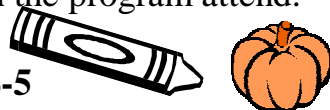

Cost: \$15

Ages 4-5

Family program- Children must be accompanied by an adult. Adults attend free of charge. We ask that only the children registered in the program attend.

Color Me Orange

Ages 4-5

The color of pumpkins is also the color of some cool critters. Whether beautiful like the monarch butterfly, majestic like the tiger, or slithery like a corn snake, these orange creatures are ready to show you their colors. How does the color orange help these animals in the wild? Let's find out. Meet an ambassador. Make a fun craft to take home.

Dates: September 11, 2010 @ North County Recreation Center @ 10:00-10:45 #869031

September 18, 2010 @ South County Recreation Center @ 10:00-10:45 #969031

Cost: \$15

Animal Masks Ages 4-5

Do you like to play pretend and become an animal, a princess, a fire fighter or something else? Some animals have cool “masks” to stay alive. Learn why some animals have tails that look like heads or patterns that look like big faces. Design your own mask to take home.

Dates: October 9, 2010 @ North County Recreation Center @ 10:00-10:45 #869041

October 16, 2010 @ South County Recreation Center @ 10:00-10:45 #969041

Cost: \$15

Color Me Brown Ages 4-5

What animals are brown? Why is brown best for them? Meet an animal ambassador to find out why brown is the best. Make a fun craft to take home.

Dates: November 13, 2010 @ North County Recreation Center @ 10:00-10:45 #869051

November 20, 2010 @ South County Recreation Center @ 10:00-10:45 #969051

Cost: \$15

Ages 5-6

Family program- Children must be accompanied by an adult. Adults attend free of charge. We ask that only the children registered in the program attend.

Leave Me Alone! Ages 5-6

Reptiles have some weird ways of telling other animals to stay away. Discover who hides in a shell, flashes some spikes or sticks out a tongue! Meet some “rude” reptile ambassadors up close. Make a related craft to take home.

Dates: September 11, 2010 @ North County Recreation Center @ 11:00-11:45 #869061

September 18, 2010 @ South County Recreation Center @ 11:00-11:45 #969061

Cost: \$15

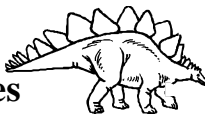

Animal Masks Ages 5-6

Do you like to play pretend and become an animal, a princess, a fire fighter or something else? Some animals have cool “masks” to stay alive. Learn why some animals have tails that look like heads or patterns that look like big faces. Design your own mask to take home.

Dates: October 9, 2010 @ North County Recreation Center @ 11:00-11:45 #869071

October 16, 2010 @ South County Recreation Center @ 11:00-11:45 #969071

Cost: \$15

Dino Babies Ages 5-6

At least some dinosaur parents took good care of their babies. Learn how the parents cared for their young. Which animals of today take care of their young? Did they care for them in the same way as dinosaurs? Make your own dinosaur baby to care for at home.

Dates: November 13, 2010 @ North County Recreation Center @ 11:00-11:45 #869081

November 20, 2010 @ South County Recreation Center @ 11:00-11:45 #969081

Cost: \$15
